

SCHOOL OF VIRTUOSITY

Not just piano lessons. An artistic future.

Exceptional instruction. Extraordinary opportunity. Personal piano, voice, composition and artistic development in St. Augustine and live online.

Five-month private study

Private study	Monthly equivalent	Five months
Foundations & Discovery	\$250	\$1,250
Developing Artist	\$500	\$2,500
Developing Virtuosos	\$750	\$3,750
Advanced Private Piano	\$1,500	\$7,500

Direct private-study checkout collects the full five-month tuition once. Monthly equivalents are comparison figures. Installments and sibling arrangements are agreed separately; prior deposits require an adjusted balance invoice. No application fee.

A complete musical education

Advanced study includes five required live hours with Nic each teaching week: one-hour private lesson; one-hour theory and aural training with music history; one-hour composition; and one invited two-hour masterclass on Friday, Saturday or Sunday. Four optional one-hour online Performance Labs are additional. Required modules reinforce the live work.

Qualifying advanced students have the opportunity to participate in our annual Carnegie Hall recital. The recital is planned for fall/winter. Nic confirms readiness, repertoire and participation arrangements personally. Students cover travel. Specific hall, date and participation terms will be shared when verified.
